**Who are the Capitol Steps?? [www.capsteps.com](http://www.capsteps.com)**

They are a political satire group. They began as a group of Senate staffers who set out to satirize the very people and places that employed them.

Since they began, the Capitol Steps have recorded 28 albums, including their latest, *Campaign and Suffering*. They've been featured on NBC, CBS, ABC, and PBS, and can be heard 4 times a year on National Public Radio stations nationwide during their *Politics Takes a Holiday* radio specials
